YAMAZAKI RARE WHISKY + SUSHI TASTING

Tuesday, September 6 // 6:30 p.m.

Mizu Izakaya (1560 Boulder St., Suite 100)

Calling all whisky and sushi lovers! This high-end pairing experience brings together the freshest seafood and the 2022 Yamazaki cask-series Limited Edition Collection.

Honoring its namesake, the single malt was made in Japan's first and oldest malt whisky distillery, founded in 1923 by founding father Shinjiro Tori. Shinjiro established what is now known as Suntory's 'Tsukuriwake,' meaning 'Diversity of Making' – experimenting and exploring a variety of grain types, wash backs, distillation methods, casks, and blending techniques. This process has led to Yamazaki, a single malt whisky quite like no other.

The 2022 Yamazaki Limited Edition Collection is a tribute to this process, unveiling the foundational pillars – The Yamazaki Puncheon, The Yamazaki Spanish Oak, The Yamazaki Peated Malt, and The Yamazaki Mizunara – as a single collection. Paired with sushi crafted by Mizu Izakaya's chefs, this is a culinary celebration you won't want to miss!

Riedel Glass Seminar Wine + Glass Experience

Thursday, September 8 // 6 p.m. // \$85

Metropolitan State University School of Hospitality
(1190 Auraria Parkway, 2nd floor)

Join Riedel and the Denver Food + Wine Festival for an educational and entertaining program that will change your wine life forever! During this unique guided wine tasting, Southern Glazer's Wine & Spirits sommelier Shelley Sale will demonstrate the relationship between the shape of a wine glass and your perception and enjoyment of the wine within. Experience first-hand the effect that the glass shape has on each unique varietal, and how stemware translates and delivers the bouquet, taste, balance, and finish of a wine to the senses. After the seminar, you will take home your own four-glass Riedel kit, valued at \$138, including one glass for each varietal.

Seating is limited!

Reserve your spot at denverfoodandwine.com.
